

HI FROM JOE

Thank you

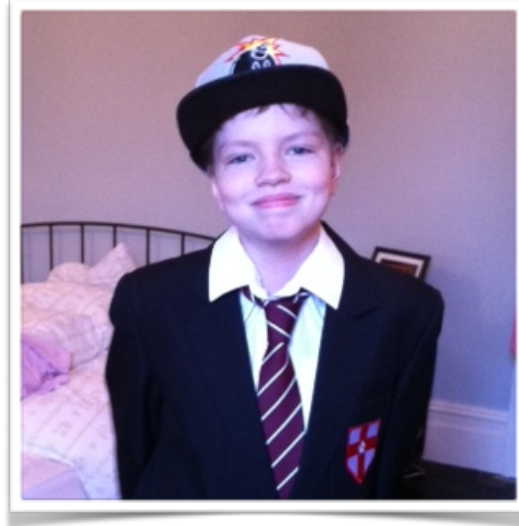

Thank you Keira for raising money for my ward! Siobhain has told me that you are a cycling opera singer, sounds cool! Do you sing when you cycle? It makes me really happy that you are raising money for Piam Brown.

Piam Brown

I spend a lot of time on PB. But I am lucky because I usually stay on the day ward and don't have to spend the night. Everyone on PB is great. The nurses and doctors are really kind. They look after me well and are helping me to get better.

Leukaemia

I got sick on holidays in Italy which was very scary. It has been quite tough for me recently. The chemo makes me feel ill and makes my hair fall out. But I have just finished the intensive chemo and am moving onto the maintenance stage. This will be much better.

All about me

My name is Joe. I live at home with my mum and dad and my sister, Aoife who is 16. We have a crazy dog called Molly. She is very cute but she is mad. I am in Year 7 but I haven't really been to my new secondary school much. I am very sporty and like football, swimming, archery and sailing. I also play the guitar and clarinet.

Can't wait to be better

I am looking forward to going back to school and to everything being normal again.
